*Introducing the secret to a long healthy life.  
Convert sleep into strength and well-being.*

*S*leep is a very important element in maintaining our health.

Human beings sleep for 175,200 hours or 7,300 days on average in their lives.

This means that when you become sixty years old, the difference as to whether you took care of your health for the last twenty years of your life is very significant.

Having good deep sleep in a quality bed is one secret of how to convert sleep into strength and well-being.

The Migun Healthy Mat is the "healthy sleep system" in which knowledge and technology are integrated with natural and modern science that help you attain excellent health.

The Migun Health Mat will definitely assist in making this goal come true for everyone, young or old.

*T*his sleeping system was upgraded by using sixteen years of Migun's patented technology and the personal experience and feedback of its users.

Giving people health, balance, and wellness and a society in which everyone can enjoy living in is the goal that Migun Medical Instruments Co., LTD. makes through every product it creates and manufactures. We pledge to put our best effort into everything we do. Your good health is our growing business.

Sincerely,

Sang Bok Lee,

President,

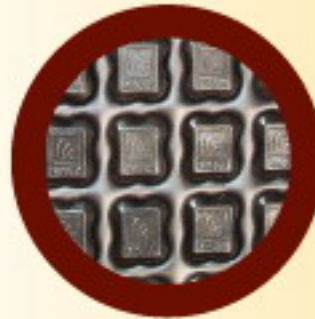

Migun Medical Instrument, Co., LTD.

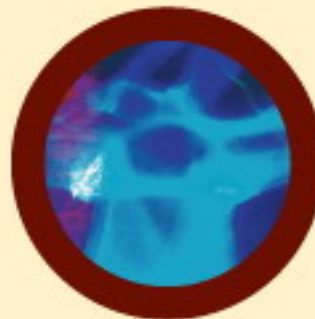

### ***New "100 Year Old Stone"***

New "100 Year Old Stone" is produced by Migun's unique new technology by mixing ores such as germanium, tourmalin, zeolite, petlite, ophiolite, sericite, zirconia, loess, and ceramic. Its patented design is registered under 0360568. A change occurs when crystallized at 1350 degrees Celsius producing a new "100 Year Old Stone." Coating methods which are harmful to the human body, are NEVER used to produce a new "100 Year Old Stone." They are formed with high temperatures alone. The friction of a new "100 Year Old Stone" against another new "100 Year Old Stone" creates pure and all natural light. Therefore, there are no harmful ingredients and the emissions of infrared rays is high and extremely healthy. You will sleep more comfortably than ever by feeling the Migun difference.

### ***No Harmful Electromagnetic Waves***

The Migun Healthy mat does not emit harmful electromagnetic waves that can disrupt your healthy flow of energy.

### ***Cool Summer***

*The Migun Healthy Mat offers a cool surface to relax on during the hot summer months.*

### ***Dual-side Temperature Control***

The Migun Healthy Mat features a dual-side temperature control system allows two people on the same bed to adjust the temperature to their preference.
